VISIT OF MYSORE GOVERNMENT DELEGATION TO DELHI TO DISCUSS MATTERS CONNECTED WITH THE FEDERAL FINANCIAL INTEGRATION.

---

1) It is ascertained that the Madras Govt. Aircraft "Dove" can carry six passengers with 40 lbs. luggage each.

2) The actual cost of the charges towards fuel and oil for the journey to Delhi and back including four landings will be Rs.1,717/-. The charges for the crew will be Rs.58/12/0 per day and Housing charges Rs.12/8/0 per day. The total charges for the journeys by air including halting charges at Delhi from the 24th to 27th would be about Rs.2,002/-.

3) As the ~~sitting~~ seating capacity is limited to six in addition to luggage to be carried by each passenger, the two stenographers will have to go in advance by train and in order to be well in time, they have to leave here at latest by the night train on the 20th instant.

4) The First Class railway fare from Bangalore to Delhi and back is Rs.370/8/0 by the shortest route. The total cost for six ~~passengers~~ officers travelling to and fro by train would be Rs.2,223/-.

5) In the circumstances, it would appear to be more economical for the Govt. for the officers to make the journeys by air, as the officers would be entitled to half the railway fare for the days of journey if they were to go by rail, while, for air journeys, they would be entitled only to Daily Allowance. 6) If approved the Govt of Madras will be addressed in the matter
